

Proof of Concept

Now pitch your company! Short and interesting, so that your grand-grand-parents and even little children understand it.

What is the core of your idea? Leave everything else out! For example your pitch could be like this:

I solve this problem: _____

By doing that: _____

This has the following advantages:

1.

2.

3.

4.

For this I use the following components:

-

-

-

-

The slogan for my concept is:

And this is my logo:
